RI School for the Deaf Athletics

August 19, 2011

Dear Colleague:

On Friday, September 30, 2011, the 37th Annual Friends of Rhode Island Deaf Open will be played at Triggs Memorial Golf Course in Providence. The Golf Tournament benefits the Athletic Program at the Rhode Island School for the Deaf. Our school serves over 100 students and families throughout Rhode Island and neighboring states, Connecticut and Massachusetts.

This year we are hoping to raise \$10,000, in achieving this goal, this will help get new uniforms, which we greatly need. The cost of traveling to games and tournaments, going to summer camps and providing our annual sports banquet often pose a challenge, also, each year we host events bringing in Deaf & Hard of hearing student athletes from up and down the East coast to Rhode Island for tournament competition and social interaction.

Having to attend and host such events are important for our student athletes with your assistance, all may be possible.

We hope you will consider supporting our tournament by playing golf, bring a foursome, purchase a tee sign, or help provide a prize for our raffle-

Thank you for your consideration and supporting the RI School for the Deaf Athletics.

Sincerely,

Kelly Butterworth
